

Information on Doctoral thesis of Fellows Nguyen Duy Giang

1. Full name: Nguyen Duy Giang
2. Gender: Male
3. Date of birth: 25/07/1966
4. Place of birth: Ha Tinh province
5. Decision for permitting PHD research: No. 3611/QD-SDH on 22/10/2009, issued by the Chancellor of Vietnam National University, Hanoi.
6. Name of PHD thesis: Agencies responsible for conducting proceedings in the Law of Criminal Procedure of Vietnam in the process of reforming justice.
7. Major: Criminal Law
8. No. 62.38.40.01
9. Supervisor: Vice Professor, Doctor of Law Tran Van Do
10. New results' summary of the Thesis:

- This is the first scientific works having research in an intensive, thorough, systematic manner about the theoretical issues of subjects responsible for conducting proceedings, containing investigative and prosecutorial agencies, other agencies assigned missions to perform some actions of investigating, prosecution offices and courts and responsible officers working in these agencies in Vietnam. This paper has been conducted according to the decision of the Political Bureau which was about the strategies of justice reformed until 2020.

During the research, the author has autopsied not only the forming process of the subjects responsible but also the development of these subjects since 1945. Furthermore, the author also compared current legislations with the one in other countries. The results of the PHD research have contributed to further theoretical clarifications and developments in terms of agencies responsible for conduction proceedings in the Law of Criminal Procedure of Vietnam in the process of reforming current justice.

- The thesis has researched practical regulation applications to subjects conducting criminal proceedings in our country, the positive results are made and the obstacles, limitations, thanks to these, clarifying limitations and mistakes of regulations and provisions of the current Criminal Procedure Law relating to responsible agencies.

- The thesis has clarified the requirements of justice reform to amending and supplementing in the purpose of perfecting the regulations of subjects responsible for criminal proceedings in Vietnam's Criminal Procedure Law. Basing on research results about theory and summarizing practices as well as requirements of justice reform, the thesis recommends contents that need to be changed, supplemented regarding to subjects responsible for conducting proceedings in Vietnam's present Criminal Procedure Law in order to participate in dealing with obstacles, limitations of relating provisions to investigative agencies, other agencies being assigned missions conducting some investigating activities, prosecutorial agencies, courts, and responsible officials in these agencies, thereby enhancing the efficiency in fighting against crime and protecting human rights, citizen rights, building progressive criminal legal structure, serving our fatherland and people, according to advocates of judicial reform in Vietnam.

11. Possibilities of practical applications:

The research result of the thesis are a useful reference in the process of amending, supplementing the Code of Criminal Procedure of 2003. The author is a member of the Editorial team of the Code of Criminal Procedure of 2003 (amended, supplemented), therefore, having good conditions to apply research results in the process of carrying out missions assigned by the directors of both the Drafting committee and Editorial team.

The thesis has significantly contributed in terms of theoretical aspect about agencies responsible for conducting criminal proceedings in Vietnam's Criminal Procedure Law and possibly being used as a reference for legal research and teaching jobs regarding to criminal procedure science. Furthermore, the officials who work in agencies of dealing with criminal proceedings can learn and manipulate the research results in reality.
