

Information on Doctoral thesis of Fellows Pham Thu Phuong

1. Full name: Pham Thu Phuong
2. Sex: Female
3. Date of birth: 02/05/1981
4. Place of birth: Ha Noi
5. Admission decision number: 1693/QĐ-SĐH Dated: May 07, 2009 by President of National University, Hanoi.
6. Changes in academic process: No
7. Official thesis title: Attracting FDI for development of supporting industries in Vietnam
8. Major: World Economy and International Economic relations
9. Code: 62 31 07 01
10. Supervisors: Assoc.Prof.Dr. Phung Xuan Nha – Dr. Vu Anh Dung

11. Summary of the new findings of the thesis:

- The thesis reviews some theoretical issues of FDI, supporting industries and the relationship between FDI and supporting industries, as well as the factors affecting FDI for development of supporting industries.
- The thesis studies international experiences in attracting FDI for development of supporting industries in some countries and territories (case studies for Taiwan, Thailand, Malaysia) as the lessons for Vietnam. The thesis analyzes and clarifies the situation of attracting FDI for development of supporting industries in Vietnam, pointing out the limitations and their causes.
- The thesis provides some directions and solutions to enhance FDI for development of supporting industries in Vietnam.

12. Practical applicability:

The thesis's findings would be considered as the useful recommendations for policy planners, managers, researchers and undergraduates, post graduates in the field of economics.

13. Further research directions:

- Attracting FDI to supporting industrial projects with high technology and projects which are committed to technology transfer.

- Promoting the value of supporting industrial products of Vietnam in the global value chain.
